

## 1. 114 – Take up your cross

"Take up your cross," the Saviour said,  
"If you would my disciple be;  
Forsake the past, and come this day,  
And humbly follow after me."

Take up your cross; let not its weight  
Pervade your soul with vain alarm;  
His strength shall bear your spirit up,  
Sustain your heart, and nerve your arm.

Take up your cross, nor heed the shame,  
Nor let your foolish heart rebel;  
For you the Lord endured the cross  
To save your soul from death and sin.

Take up your cross and follow Christ,  
Nor think till death to lay it down;  
For only those who bear the cross  
May hope to wear a golden crown.

## 2. SB28 – I love you Lord

I love you, Lord  
And I lift my voice  
To worship You  
Oh, my soul rejoice!  
Take joy my King  
In what You hear  
Let it be a sweet, sweet sound in  
Your ear. *Repeat*

## 3. SB30 – Brother Sister, I'm your servant

Brother, let me be your servant.  
Let me be as Christ to you.  
Pray that I might have the grace  
To let you be my servant, too.

We are pilgrims on a journey.  
We are brothers on the road.  
We are here to help each other  
Walk the mile and bear the load.

I will hold the Christ-light for you,  
In the night time of your fear.  
I will hold my hand out to you;  
Speak the peace you long to hear.

I will weep when you are weeping. When you laugh,  
I'll laugh with you.  
I will share your joy and sorrow  
Till we've seen this journey through.

When we sing to God in heaven,  
We shall find such harmony  
Born of all we've known together  
Of Christ's love and agony.

Brother, let me be your servant.  
Let me be as Christ to you.  
Pray that I might have the grace  
To let you be my servant, too.

## 4. SB23 – One more step

One more step along the world I go,  
one more step along the world I go;  
from the old things to the new  
keep me traveling along with you:  
And it's from the old I travel to the new; keep me traveling along with you.

Round the corner of the world I turn,  
more and more about the world I learn -

- all the new things that I see  
you'll be looking at along with me:  
And it's from the old I travel to the new; keep me traveling along with you.

As I travel through the bad and good,  
keep me traveling the way I should;  
where I see no way to go  
you'll be telling me the way, I know:  
And it's from the old I travel to the new; keep me traveling along with you.

Give me courage when the world is rough,  
keep me loving though the world is tough;  
leap and sing in all I do,  
keep me traveling along with you:  
And it's from the old I travel to the new; keep me traveling along with you.

You are older than the world can be,  
you are younger than the life in me;  
ever old and ever new,  
keep me traveling along with you:  
And it's from the old I travel to the new; keep me traveling along with you.
